SUMMARY

As a graduate of Bachelor of Science in Information Technology with a specialization in Mobile and Web Applications from National University Philippines, I am equipped with strong technical and design skills. I am a grateful recipient of the SM Foundation College Scholarship and have hands-on experience in UI/UX design, front-end development, and technical support. I am keen on exploring new opportunities to further my skills and contribute to innovative projects.

SOFT SKILLS

- Active Listening
- Team Player
- Willingness to learn
- Accountable
- Dependable
- Perseverance

TECHNICAL SKILLS

UI/UX Design: Figma, Canva

Web Development: HTML, CSS, JavaScript, Angular, TypeScript, PHP, SQL, Git

Mobile App Development: Flutter, Dart

Software: VS Code, Microsoft Word, Microsoft Outlook, Microsoft PowerPoint, Microsoft Forms, Google Forms

PROFESSIONAL EXPERIENCE

QuickReach Inc.

May 6, 2024 - June 26, 2024

Front-end Web Developer Intern

- Meetings & Collaboration: Attended daily standups, team meetings, internal demos, and discussions.
- UI/UX Design & Development: Designed/coded login, registration, Forgot Password, Under Maintenance, and Notification pages; created/enhanced UI mockups; improved user experience; researched and developed UI features; fixed registration process bugs.
- Documentation & Empty State Pages: Reviewed and enhanced documentation, created mockups, and developed empty state pages.

Yokogawa Philippines, Inc.

December 6, 2023 - March 6, 2024

IT Intern - Technical Support

- Set up Laptops and Computers according to company's MIS Standard Setup.
- Assisted employees with technical issues, troubleshooting hardware and software problems, and providing timely and effective solutions.
- Collaborated on the enhancement of DSEFORMS with improved UI/UX Design in Figma
- Created 2 animated informational videos about OTP Scam Awareness and Information Security Policy for Broadcast.

Innodata Inc.

June 8, 2021 - January 22, 2022

Freelance Content Moderator (Tweet topic evaluator)

- Identifies and classifies inappropriate content that should be filtered and removed as per client requirements.
